

## REPORT TO THE AHC BOARD OF DIRECTORS OF THE JUNE MEETING OF THE PI COMMITTEE

The Pi Committee met on June 23. Members present: Wally Hopkins, Dr. George Lee, Dr. Mark Apfel, Chair, Kathy Cox

Dr. Apfel reported on the Crash Cart Training which took place with the Dental Staff, the Medical Staff will be trained in July, protocols will be written up and posted on the cart. Policies for referrals and lab reports are being written for review and approval by the PI Committee at the July meeting. Problems with Hit Care were discussed in relation to posting of vision screening for diabetics as well as problems with follow-up on referrals for colon-cancer screenings. Logan McGann and Jessica participated in a training on integrating Primary Care and Behavioral Health and the providers will be integrating case studies into their monthly meetings. The application for the licensing of the Dispensary has been submitted and it is now a question of waiting for approval and licensing.

Dr. Lee presented a HIPPA policy for review. The policy was reviewed and approved by the Committee. This policy, which is kept in the binder by Mitzi will be reviewed each year. Dr. Lee will present some templates for PI Plans at the next meeting.

The next meeting is July 14 at 2:00.
